Welcome to today!  
Listen to it,  
see it,  
touch it,  
taste it,

...for it is LIFE.

I am  
a burst of life  
looking forward  
to each

I want  
to be alive  
to all the life  
that is  
in me now

Life is a series

# SENIOR MASQUERADE PARTY

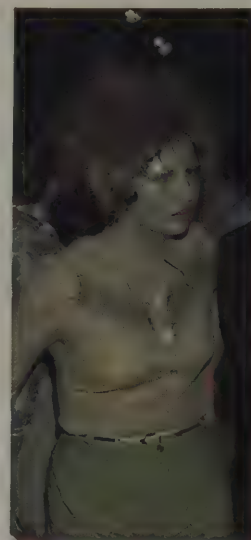

Ladybugs, clowns, cavemen, and Red Riding Hood's were just a few of the many costumes seen on Nov. 8 at the Ferndale Roller Rink.

Unknown to the Seniors, four masqueraded mothers were also present for the event.

Prizes for best costume were won by Tami Vander Haak, a very green martian and Doug Polinder, a terrifying Frankenstein.

After a night of skating, everyone met at Rico's for pizza and pop.

Feel the smiles  
of glowing color  
stop and say good day  
Too soon we drift apart

# Dirty Work at the Crossroads

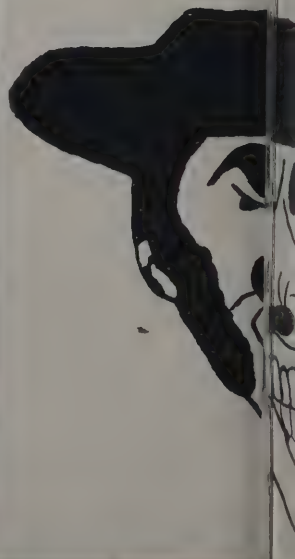

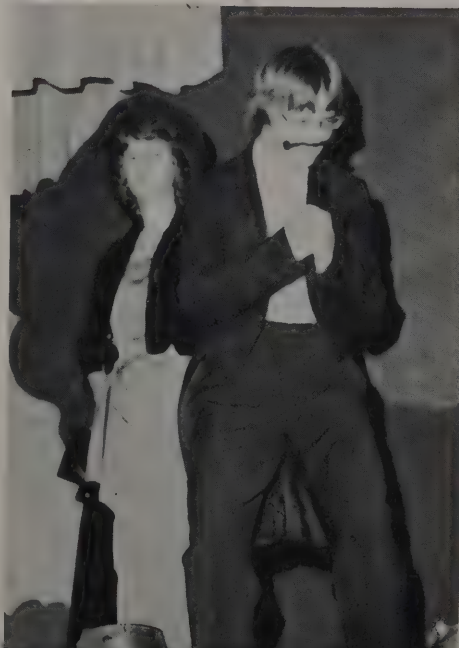

## Tempted, Tried

"Dirty Work at the Crossroads" was performed by the Senior Class on November 25, 26, and 29. This Gay Nineties Melodrama, complete with a villain and a heroine, was the first ever performed at LCHS.

A small chorus colored the production by singing a number of old-fashioned songs. Also several solos were sung by members of the cast.

A special thank-you goes to the cast, chorus, directors, and committees for all the time and energy spent in making "Dirty Work at the Crossroads" a success.

# SENIOR TRIP DAY

On May 11, the Senior class embarked on their traditional trip to the big city of Seattle. After spending the morning at the Seattle Center where the class ate lunch at the Food Circus, they enjoyed an afternoon boat tour of the Seattle Harbor. The seniors then traveled to Pizza and Pipes where they filled up on pizza and pop. After dinner they returned to the Seattle Center and watched the Ice Follies which had to be the highlight of the day. The class then returned to Lynden (except for a snack at McDonald's) tired but happy.

A.S.B. OFFICERS: Emily Van Dyken, Secretary; Scott Korthuis, President; Terry Kaemingk, Vice President; Karen Bode, Treasurer.

Students of LCHS,

All the events and happenings of the '76-'77 school year are now memories that will always hang in our minds.

In attending Lynden Christian I have seen Christ come out in classes like Physics as well as our Ref. Doc. classes. I have seen how powerful our God is in the way He displays His handiwork throughout our universe.

Seeing Christ in every aspect of life is the purpose of Christian education, and I hope that you will benefit from this now and in the future.

Although we attend a Christian school, we are not always perfect. We could improve a lot in our relationship with the Canadian students. I think we should also learn to respect the school property and the belongings of fellow students. Yet I'm happy that these things do not outnumber the good points of our school. We did a fine job in welcoming new students this year, and we've had an excellent faculty which gives much of their time for many student benefits.

It's been an honor for me to represent this school in the past year, but if you think about it, we all represent our school through sporting events and other activities. And being representatives, we must remember to bring glory to God's name, not to shame it.

Christ has been with our school system for another year and he has blessed it in many ways. May this blessing continue to fall upon our school system for years to come.

Your ASB president,

*Scott Korthuis*

This year's foreign exchange student is Ilse Vogel from Pretoria, South Africa. While attending LC she has become very special to the students and faculty, and will certainly be missed by all. Thank you Ilse for sharing with us your country, culture and self. May God bless you now and in the future.

To all my friends at Christian High:

It was in May '76 when I received my placement papers, and included was a paper which told me the school that I was to attend. The first thought that came to me when I saw a Christian high school was that it was going to be something like a Catholic school with nuns roaming around. Arriving in Lynden, I was reassured and told that it was just like an ordinary school, but I guess I was only fully assured the first day I walked in LCH.

I write in all truthfulness that this has been a wonderful year. It would never have been this way if it hadn't been for all the friendliness of the kids and also the teachers. We don't always realize how lucky we are to be in a Christian school where the education and activities are God-centered. Lynden Christian is really a unique school (not only because we get state championship once in a while). Having visited a few other schools, I still think LCH is the best.

When I go back I will really miss most of all my family, the Hollanders, that I have stayed with. Apart from them making it possible for me to be here, they have just been a wonderful family to live with and I really appreciate it. Next are all my friends. Having classes with freshman, sophomores, juniors and seniors, they vary in ages and I always felt as if I was treated as one of you. Of course, I will miss basketball. Those jam-packed, boiling hot Friday evenings in the gym will always be remembered as well as treasured. Last but not least are the track turnouts I took part in, having butterflies in my stomach on Fridays, even though I knew that I would get another last in the meet in the afternoon. I must say I did get a first one time, but unfortunately I was the only participant, as Mr. Ypma clearly announced.

I could keep on and on writing about all the good things I have enjoyed (e.g. state), but I'll end by just saying "thank you" to everyone who has made this year a wonderful and tremendous one, one that I will never forget. Everyone made me feel welcome even if it was after asking a ride home for the tenth time. When ever anyone comes and visits South Africa, I would really appreciate it if you would come and drop in. I might even give you a ride on my "pet elephant or lion!"

Lots of love,

*Ilse' Vogel*

## DEBATE

The debate activity this year took place in the first semester. Shortly after school began, the group attended a workshop at the Seattle Center put on by W.W.S.C. to introduce the year's topic: "That a comprehensive program of penal reform should be adopted throughout the U.S." In October the freshman team, Danielle Malone and Barb Van Zanten, participated in a district-wide practice tournament at Burlington. January saw both teams attending the tournament held at Seattle Pacific College.

Lynden Christian FFA Chapter's year was centered around the Northwest Washington Fair. For the first time, five chapter members exhibited ten animals. They exhibited the Grand Champion and Jr. Champion Holsteins along with the top award in Fitting and Showing of dairy cattle.

The Dairy Judging team's year was also highlighted at the NWWF by receiving the first place trophy in dairy cattle judging. Steve Vander Griend was one of ten state finalists for the National Dairy Judging Team.

Currently, there are fifty-two Chapter members. During the month of March, twenty-two of these members participated at the Ferndale Jamboree. They received first place awards in Dairy Judging and in Crops and Vegetables.

## LC'S NEW ADDITION

It's finally here. Our new shop is finished and put to use. The new shop has four times the floor space of the old building giving students and teachers much more room to work in. The LC's Alumni has given money for our new welders and lathes along with a plywood saw, table saw, and metal shears. Several of the machines from the old building have been moved to the shop. There are storage rooms for steel and Mr. Taylor has made cupboards for students' projects and hand tools. There are two new classrooms for Mr. De Haans' Agriculture classes and any other class which cannot be held in the old building. The shop should prove to be a valuable addition to our school.

Pep club was a very successful organization this year. In all, we had approximately sixty-five members. One of our main functions is shadowing athletes in the various sports. One or two girls were assigned to each guy athlete and would do little things for him on game days. These little surprises included baked goodies, poems, or anything else a good imagination could work up. The purpose behind shadowing is to boost their spirit, and show each athlete that we're behind them all the way.

Once again, Director Del Vande Kerk turned out an excellent choir. Besides giving concerts in various churches, they also entered the San Juan Music Educators' Competition held at WWSC in which they received the highest rating possible.

The choir also went on a three day tour to Sunnyside where they performed in both the local church and school. A concert was also given at Kings Garden High School in Seattle.

Taking the place of Varsity Singers this year was the group "Sonlight." Comprised of select senior and junior choir members, the group gave many performances at schools, banquets, and in local churches.

Following graduation, on June 6, the Sonlight group left on a ten day tour to the San Francisco area, stopping in Marysville, Olympia, and Salem, Oregon on the way.

In San Francisco they sang in three area churches and for a Christian school in the heart of Chinatown. A day was also spent sightseeing.

Even though the van was burglarized in San Francisco and had to undergo major repairs in Oregon, forcing the Sonlighters to take a bus home, they still managed to have a great time that will long be remembered by all.

# ORCHESTRA—A “NOTED” SUCCESS

BACK ROW: Marlene Huizenga, Joy Maas, Sharon Stegink, Nancy Weidenaar, Debbie Ezell, Barb Van Zanten, John Maas, Robyn Buma. FRONT ROW: Pam De Raad, Sherry Korthuis, Trish Roosma, Gaye Vander Giessen, Karen Bajema, Judy Van Andel, Mrs. Crook.

Hours of hard work and practice resulted in a very successful year for the LCHS Orchestra. The highlight of Orchestra '77 was their tour to Gresham, Oregon, April 15-17, where they participated in an orchestra competition involving groups from six states and one group from Japan. Although they didn't receive any trophies, they were awarded an honorable mention. Other highlights were the many concerts in churches, schools, museums, etc. The year has been a great one with much improvement and anticipation for '77-'78. A special thanks goes to their director, Mrs. Ethel Crook, for all the time and effort she has put forth.

BACK ROW: Loren Van Beek, Laurel Zylstra, Gina De Vries, Francis Steinfort, Bev Mellema, Barb Van Zanten, Deedee Vander Pol, Ronda Winter, Dawn Slater, Sandy Roosendaal, Sharon Stegink. FRONT ROW: Jay Meeboer, Tom Van Beek, Scott Hendricks, Cheryl Buma, Jijn Roosendaal.

This year the band made good progress. Starting off with about thirty-five students, mostly freshman and sophomores, director Del Vande Kerk whipped it into shape and soon the band was entertaining the crowds at football and basketball games. The band also performed well in numerous winter and spring concerts and accompanied the choir on a tour to Sunnyside. Many thanks go to the director and students for a good job.

# HI LITE HAS "HI LITES"

This year as I took over the editor's pen I was apprehensive about the staff since everyone was new. But before the first issue was out I realized that they had a lot of originality and responsibility.

We started several new things for the Hi Lite including features dealing with such topics as TV, catechism, dating, and gowkish bufoonery.

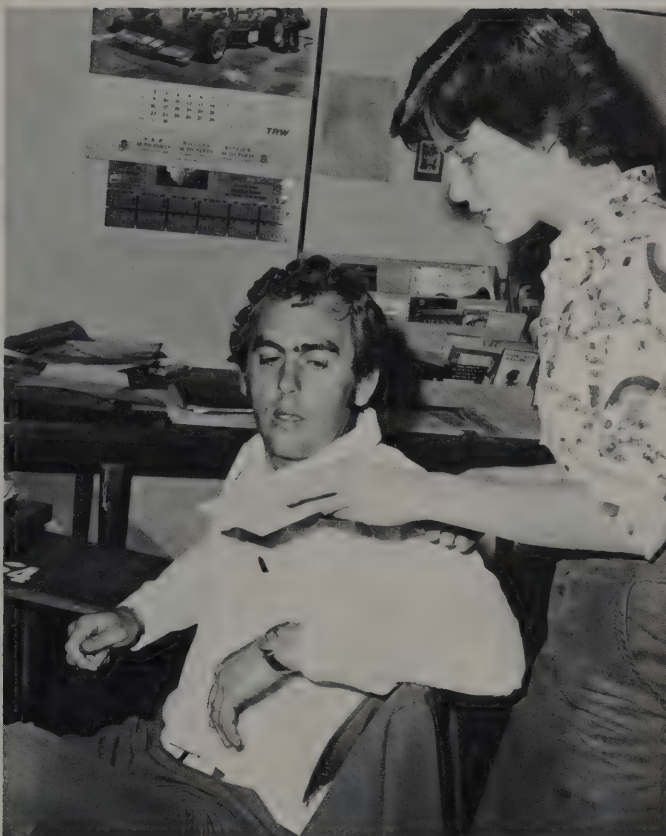

Several "hi lites" for this year included getting a first class rating from the Columbia Scholastic Press Association, getting our own staff cartoonist and going out for our annual dinner.

I would like to thank all who helped especially Mr. Ypma as advisor and Ellen Cammenga as my assistant editor. Also, I thank the student body for supporting us. Lastly, I would like to thank our God for giving us the ability to communicate through the pen.

# 1976 VARSITY FOOTBALL

The varsity football team will remember this year for many things. Possibilities for the season seemed endless when they defeated Lynden in the opener 8-0, a feat LC hadn't accomplished in five years. However, when the dust had settled after the following game with Nooksack, the scoreboard read 33-6 in favor of Nooksack even though the Lyncs had destroyed the Pioneers statistically. Coach Ypma called it "the weirdest game I ever coached."

Things went from bad to worse and continued to do so until finally they ended their frustrations with two resounding wins over Mount Baker and Blaine to close the season.

The JV Lyncs had a disappointing season winning only two out of six games. The team lacked size, especially in their offensive line, and, therefore, had a tough time moving the football. With fifteen or twenty sophomores returning next year, the future looks promising for the young Lyncs.

# TENNIS TEAMS THRIVE

Tennis still isn't classed as a varsity sport in this league, but that didn't deter the netters from putting out a good season. Coach Al Ramerman looks on this season with fondness. He will miss several seniors next year, including #1 singles Joel Gibson and half of #1 doubles Craig Engels.

However, plenty of talent hangs around for next year and Mr. Ramerman has good reason for optimism.

Girls' tennis managed to thrive this year, despite some very tough league and county opposition. Coach Al Ramerman was very happy with the squad and felt they came along well as the season progressed. He was especially pleased with seniors Debbie Boxum and Sheryl Haak, Mainstays of the team for the last few years. Despite graduation of these two, the team will not suffer too much for next year.

# CROSS COUNTRY

Lynden Christian's cross country team started the season with a bang and ended with a whimper. After going through sixteen meets without suffering a loss, the Lyncs themselves were defeated by bursitis of the knee and pulled hamstrings. The old nemesis, Mount Baker, once again preyed on LC county championship hopes, when the Mounties won the league finale by two points. This even was especially disheartening, since the Lyncs had soundly whipped Baker during the season.

Finally at district, the final blow was struck when the long-winded runners were nosed out of fourth place and a trip to state.

Next year will be promising, since two juniors and several sophomores return to anchor the squad.

This year a first happened when the girls formed a cross country team. A nucleus of six runners made up the team, and of those, only one senior will leave. The rest return with plenty of running wisdom.

To complement a successful league season, the girls went on to district, and freshperson Lynn De Boer made an outstanding performance for her years when she placed 32nd in a field of 114.

## VARSITY TEAM ENDS SEASON WITH 4-7 RECORD

What can one say about a team that has a losing season? Breaks did not fall their way often? Such was the case for the girls' varsity volleyball team, which lost several matches by falling in the third game by two points. Still, successful seasons are not measured by wins and losses, but by the effort put into a contest. Maybe the volleyball team really did have a winning season.

The JV volleyball team consistently played well enough to win seven matches and lose four. Most of these JV's will be the varsity next year, making the future look bright. Making it look even brighter is an undefeated "C" team, which piled up ten wins and an unblemished record.

# BASKETBALL AT ITS BEST

This season an anticlimax? A determined new coach did not want it to be. Harold Terpstra took over head coaching position when Bill De Hoog died last year, three weeks after his team took home the state crown.

The new coach told his team at the beginning of the season, that if they set their minds to it, they could follow that act. It wasn't an easy year for Terpstra to take over. Lynden went undefeated in league play, and three teams had to scramble for the second district spot. Third place was a very respectable finish for a first-place coach.

The district tournament disappointed everyone. After falling to Darrington in the opener, hopes soared high as the Lyncs clobbered Kings' Garden and then defeated Nooksack's Pioneers in a tight overtime to advance to the last round. An unknown combination of things destroyed any ideas of state placing as Meridian wrecked the Lyncs' chance to go to state for the first time ever.

# JV'S—TRADITIONAL 2ND PLACE FINISH

New coaches seemed to be the rule of the year, rather than the exception. Kent De Hoog filled in Harold Terpstra's shoes when Terpstra moved up to take the new head coach position.

De Hoog apparently learned his homework well. He himself was coached by Terpstra several years ago, and he returned to do a very successful job. In his first season, Lynden Christian's JV team finished in second place for the third time in as many years, topped only by Lynden in the final league standings. Coach Terpstra should be extremely grateful to Coach De Hoog next year at the onset of the season for the talents De Hoog has developed and teamwork he's produced.

Coach Anton Mellema has a right to be pleased. This year his freshman basketball team took third place in the league, with many surprise wins as well as some close losses that could easily have gone the other way. They lost to Lynden once, 56-54, in a contest that took two overtimes to decide. Lots of good JV and varsity material should be produced from the relatively inexperienced group here.

# GIRLS' VARSITY

Every year the girls' basketball team gets closer to duplicating what their male counterparts from this school have done many times--go to the state tournament. They lost four times to co-champs Meridian and Nooksack Valley--once succumbing in an overtime, and once falling by two free throws in the last eight seconds, as well as dropping two other very close contests to them.

Then in district it was nip-and-tuck all the way in the first game before eventual district champion Lakeside put the lid on hopes of upset to win 33-32. Obviously feeling down, the girls fell to LaConner 33-30 in the second game and were eliminated.

The extremely youthful Lyncs grabbed the third spot in league for the second year in a row. Youthful means there were only three seniors on the squad, all starters. The rest of the starting five featured one junior and one freshman.

# TEAM SHOWS IMPROVEMENT

Guys' track is definitely on the upswing and improvement shows from last year. Still only finishing fifth place in the league, they got outstanding performances, nonetheless, from several individuals all year long: Roger Koops in the shot-put, Mitch Biesheuvel in the Javelin and Bob Vander Veen in the 880. Bob also was the only trackman to advance to the state meet where he made it to the finals but did not place. With a champion freshman track team to draw from next year the future for track looks bright.

The girls' varsity track had possibly the finest season of any team in the state, and also their finest ever. After dropping one early season meet to Mount Baker, the girls were undefeated in all the rest of their meets until they got to state. All in all, they captured five trophies, the first when they won the Christian School Invitational, and then another when they got first place in county. They swept the Blaine Relays, and moved a step up from last year to capture the district championship. From there, Claire Bouwman, Esther Vander Griend, and Kim De Waard went on to the state meet. Claire took a second place in the 80-yard low hurdles, and finished seventh in the 220-yard dash and also the high jump, while Esther came in fourth in the 80-yard low hurdles. Kim De Waard placed third in the shot, and these girls' efforts enabled the team to place seventh overall. Congratulations to the track team for an specially fine season.

# TEAM CAPTURES COUNTY FIRST

The freshman boys had an excellent season this year and it was climaxed by winning the county championship. The team's strong points were the field events like Chuck Te Velde in the shot put and John Kroontje in the vault. In running events, Deric Bouma was tops in the mile. The talent on this team will be very valuable to track in the next few years, and Mr. Kredit has done a fine job as coach of the team.

## JV TEAM HAS POOR SEASON

The JV team didn't do so hot in the win-loss column this year. Hopefully, the young players that make up this bunch will return next year to further their skills in this sport.

JV BASEBALL TEAM: Larry Vander Veen, Doug Vander Pol, Jeff Brink, Loren Van Beek, Dave Hamstra, Larry Tjoelker, Mark Heystek, Mike Schweigert, Terry Engels, Ted Kooy, Mr. Vander Haak.

Since Lynden Christian's baseball team is not used to missing district, this year was kind of a disappointment. Yet Coach Anton Mellema had good reason to be pleased with his nine. He felt they were in almost all the games they played, even though they finished the season with a 2-8 record.

Next season must be called an uncertainty, because most of the team will graduate this year.

# INTRAMURALS

Once again students relied heavily on intramurals to clear their study-racked minds. Whether playing indoors or out, in rain or snow, everyone gets enthused and puts in effort seldom equalled in the classroom. Lynden Christian's students have benefited from this program, since many students who no longer are required to take P.E. still get exercise from intramural activities, and those who don't participate in varsity or junior varsity sports get a chance to show their skills in a smaller way.

# THE SOUND

The chapel echoed with "The Sound of Music" on March 24, 25, 29, 31, and April 1. So great was the public's response, that a repeat performance was given on April 2, and that, too, was a sell-out crowd.

The familiar story took place in the late 1930's and centered around Maria Rainer, a woman hoping to become a nun, who is sent to the Von Trapp household to be governess to seven children. Through a series of events Maria and Captain Von Trapp fall in love and are married.

More than 100 LC students were involved in the cast, orchestra and various committees. The directors, along with the cast and orchestra, are to be congratulated for another successful spring musical.

# JR-SR BANQUET

Ladies and gentlemen--may I have your attention please! Without a doubt their attention was held--better yet--we were captivated by the performance of Lynn Van Buren "Mr. Magic" as the featured entertainment of this year's Jr. -Sr. Banquet.

The theme was "Magic Moments to Remember"--and for all those involved it was just that--a memory to be cherished for a lifetime.

The theme was carried out superbly in all the aspects of the banquet which was hailed to be one of the best ever. The decorations reflected the theme with

a stunning effect. The star-studded balls hanging from foil-covered lights and the fountain had a magical effect on students alike.

The weather held up its end of the bargain perfectly. The clear, warm sky occasionally visited by a welcomed breeze, added additional magic to the evening; it also made the idea of the outside punchbowl a success.

Part of the program consisted of a slide presentation of the seniors now and in the past. This tearjerker for some, was narrated by Ellen Cammenga and Rod Blankers.

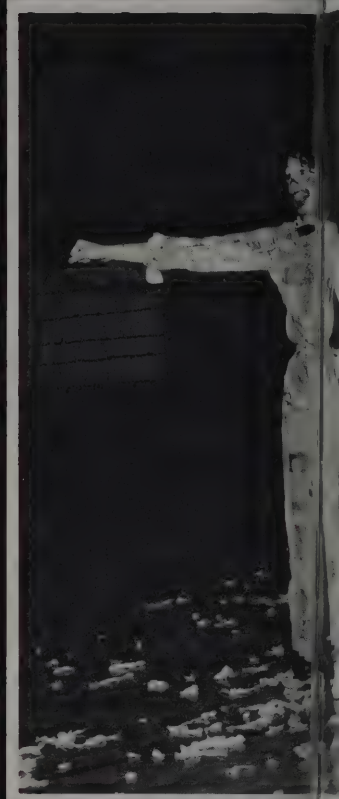

# "MAGIC MOMENTS TO REMEMBER"

But the highlight of the evening was, without a doubt, the magic show. Rev. Van Buren had us all amazed, (including Sheryl Haak) as he did everything from making candles disappear to making doves appear. What's more is that he also had a good message in it for all present which made it different from just your ordinary magic show.

Now that it's over all we have left of it is the memory of hard work for some, for others the nervousness of entertaining or for most just being there that will never be forgotten.

# SPIRIT WEEK

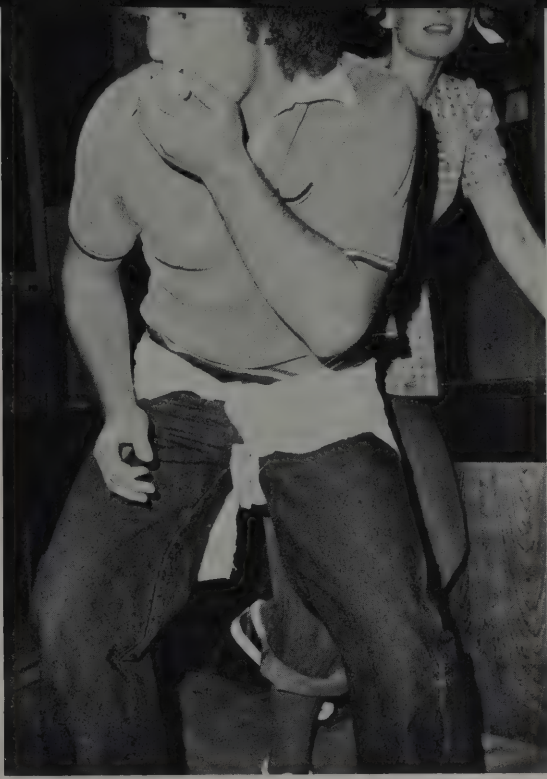

The days from January 31 to February 4 were special ones for Lynden Christian. During this week, the student body had a chance to show their school spirit by wearing outfits varying from little kiddies to clowns.

Each day during noon hour, unusual contests between classes were held, climaxed by a special assembly on Friday to declare the winners of the various Mr. and Miss competitions. In addition to this, the winner of the class competition was announced, which was traditionally won by the seniors.

All in all, it was a fun experience for those involved and perhaps played a part in unifying the student body.

Summer will silence our chapel, Lord,  
No more creaking  
From the folding chairs,  
The tattered songbooks  
Stacked away.  
But many memories will linger there.

We thank You for the gift of chapel,  
Thank You for those who read Your Word,  
For the prayers,  
The films,  
The singing,  
And the meaningful messages we heard.

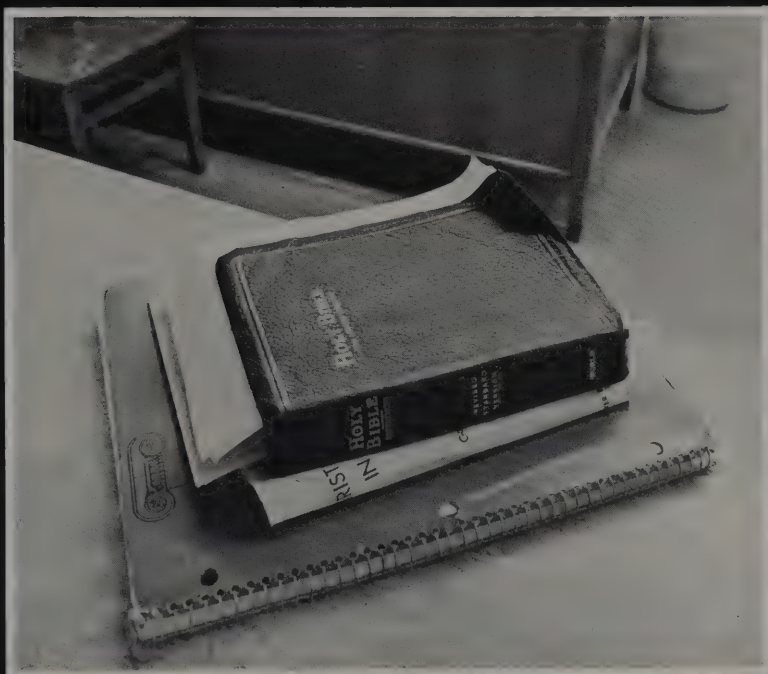

But forgive us for the lack of concern,  
For the inattentiveness  
So often shown.  
And the whispers  
Or unwanted silences  
Of those who say You are their very own.

Where two or three  
Gather in Your name,  
You have promised  
To be there, too.

Remind us of that in chapel next year.  
We could be sitting  
Next to  
You.

## MR. BEN BOXUM

Hiring teachers . . . filling out reports . . . interpreting the school's programs to the public . . . These are just a few of the many duties of Mr. Boxum as superintendent. As students we are thankful to him for helping us develop a Christian attitude and a God-consciousness and think he's the greatest.

When you talk about life, as this 1977 Excelsior is doing, one can do nothing better then to turn to the Bible. One can say all kinds of sentimental and flowery things about life as many poets and song writers have. Some of the sentiments may even cause a tear drop to trickle down one's cheek.

But the Bible, in its straight forward way, gets at the truth with such proclamations as Ps. 27:1 "The Lord is the strength of my life." Ps. 30:5 "In His favor is life." Ps. 36:9 "For with Thee is the fountain of life," In John 11:25 - Jesus states "I am the resurrection and the life --" Rev. 2:7 speaks of "the tree of life" - Rev. 2:10 speaks of the "crown of life"; Rev. 21:27 speaks of the "Lamb's book of life" - Rev. 22:1 speaks of "the river of the water of life."

The Bible is not about life but it is the Book of Life. From cover to cover God speaks historically, prophetically, and poetically, but always the message is the same. The message is that God gives life through Jesus Christ - abundant life! Apart from Him is darkness and death.

John 20:30-31 concludes "Many other signs therefore did Jesus in the presence of the disciples which are not written in this book: but these are written that ye may believe that Jesus is the Christ the Son of God; and that believing ye may have LIFE in His name.

You really want life? Then follow Jesus who is the way, the truth and the life.

Sincerely yours in Christ,  
Ben H. Boxum

# CLASSES

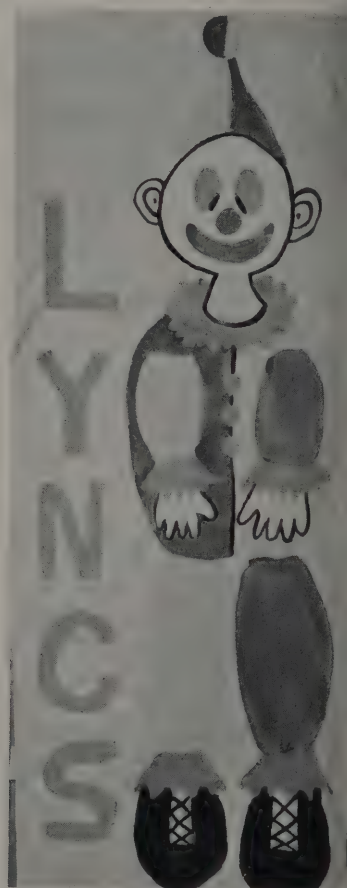

Not many of us are material for greatness,  
according to the general acceptance of the term,  
but each has something to give to justify  
the gift of life.

## FROM THE EDITOR:

Dear Students of LC:

Another year, another annual, another editor ... Now that the 1976-77 school year is almost over, I would like to thank Mr. Hof and my staff, Gale Johnson, and the many others who in some way helped make this annual a happening.

In closing I would like to leave with you these thoughts:

Day follows day,  
week follows week,  
and month follows month. . .  
How quickly a year is past!

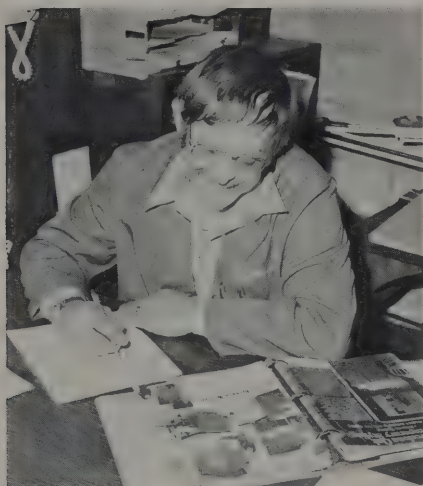

Today,  
it is time for looking back,  
a time for remembering,  
a time for counting God's goodnesses;  
a time for looking back over a pathway  
which is still as glowing  
as when we first glimpsed it.  
For the Lord has sustained us!

May each day be spent in building up the beautiful life that God has outlined for you.

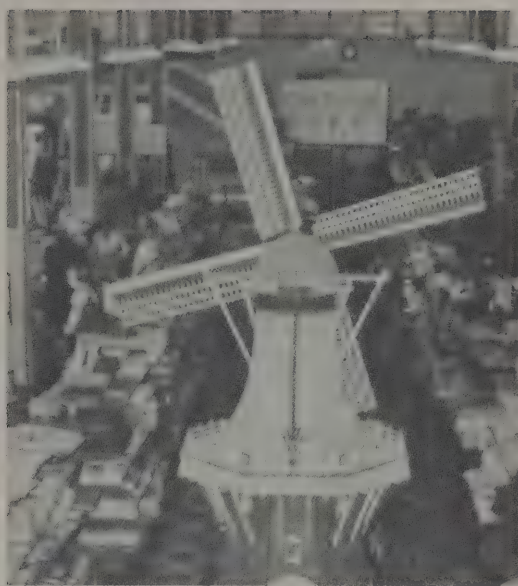

Love,  
Elaine
